# WORK EXPERIENCE

## **KHUSA CONSULTING** (January 2024 - Currently)

### **Job description**

System Administrator

- System administrator for CRM system.
- Analyzing business problems and gathering requirements to solve these problems.
- Python scripting to manipulate and extract data.
- Building reports with Power BI.
- User Support.

## **KHUSA CONSULTING** (November 2020 - 31 December 2023)

### **Job description**

Administrative Consultant

- Liaise between members and medical schemes.
- Dealing with members or very large client groups.
- Dealing with large medical aids: Discovery, Momentum, Bonitas and Fedhealth.
- Dealing with gap cover companies: KAELO, Stratum Benefits, Zest Life and Cinagi.

### **Skills learned**

- Communication skills developed, as I had to formulate professional emails to consultants. Importance of diary handling to follow up with consultants on time and regularly so that client's problems can be dealt with and resolved.
- Data capturing: Receive emails from consultants and department heads regarding clients, analyze emails and add relevant data about clients in a database. Sending follow-up emails to consultants.

# SKILLS

## SOFT SKILLS

### Communication skills

- I am an active listener and ask questions when anything is unclear.
- I pay close attention to nonverbal cues to understand the person(s) I am communicating with.
- I have a good verbal and written communication style.
- I look for growth opportunities for the group, as I find this presents with the best long-term results.

### Management skills

- I do not let tough situations control me. Instead, I evaluate them and decide the best way to approach the situation for the best result at that moment.
- I see myself as a good manager as I can lead and motivate colleagues.

### Strategic planning skills

- As a strategist, I always see the goal and start planning from the end view.
- I am very good at developing and implementing strategies to improve systems.
- Once I am clear on what the task or project is, I am good at determining the best way to accomplish it.

### Adaptability skills

- I have adaptability skills and through the years learned to overcome difficult situations or adjust to changes in my personal as well my career.
- Long-term results require making decisions efficiently and decisively, even when it is difficult.

### Interpersonal skills

- My interpersonal skills are very good as I respect my family, friends and colleagues.
- I am a very good listener and tend to motivate people rather than being negative.
- I believe that my strong Emotional Intelligence skills plays a big part in my ability to work with people.
- Integrity and authenticity are important to me.
- I do what I can to continue to improve and be the best I can be at whatever I do!
